"AUNT MINNIE FROM MINNESOTA"

Minnie Miller (E. Stupplebeen) was the sort of girl who was a born old maid. She has left her home town years ago to live with a rich aunt on a farm in Minnesota. When she returns to visit her sister, Emily Evans (J. Adams) and Emily's daughters Eva (H. Worrell) and Elvira (L. Harwager) she is a changed woman, gay, dressed "fit-to-kill", and full of pep. With great enthusiasm she plans how she will wake up her home of Brandon, with the help of her sister, nieces, and two young men, Emery (O. Messersmith) and Guy (J. Morrow). Silas (L. Hartman) mayor of the town, objects to her plans but Minnie persuades him that it is all right. Worthington Winter (K. Dewhirst) a swindler from the city, steals Aunt Minnie's money, but Patience Perkins (A. Walker) the town gossip saves the plot. There are also two girls from the city who come to visit in Brandon at this time, Cornelia (D. Brown) and Nella (E. Magnuson). At the last Aunt Minnie and Andy Andrews (C. Eastburn), Aunt Minnie's former suitor, are reunited in blissful happiness. Directed by Mrs. Powell.

As freshmen this was a class of fifty-five members. Even though the number has decreased, the class of '40 still retains the distinction of being the largest class at the present time.

The representation of the class has been an asset to A. H. S. Eight were registered throughout the year for vocal music and for instrumental groups. As yet only a few members have participated in speech activities, but doubtless the number will increase. Fifteen members of the group are active in Pep Club, and five boys have participated in athletics. Of this group two have been lettermen.

Officers for the past school year have been: President, Gayle Dennis; Vice-president, John Pope, and Secretary-Treasurer, Dorothy Farmer.

At the beginning of this school year 27 freshmen entered the Arnold High School. Eleven of the group had been pupils of Arnold Grade School. In the short time in which they have been high school students we find them well represented in school activities. Three of the group are members of the Arnold High School Band. Fourteen are members of vocal groups. A number of the girls have joined the Pep Club. Athletics interest a number of the boys.

SAILOR MAIDS

Frances Marie (Bernadine Dennis) is celebrating her 18th birthday by a cruising party on her new yacht.

Edward Dover (Keith Dewhirst) a playmate sweetheart whom she has not seen for eight years, is to pilot the new yacht on its first voyage across the bay. When he arrives, he is mistaken for the absent caterer. Because of his interest in Jeanette (Mildred Bailey) another guest, and his lack of yachting ability he does not reveal his true identity.

David Kern (Clark Lewis) a messenger from the caterer, in turn is mistaken for Edward. Before he can explain, Edward prevails on him to assume his name and sail the yacht. At first he objects, then his interest in Frances Marie helps him to forget his true self.

Gerald Kennedy (Owen Messersmith) also a member of the party, is madly in love with Frances Marie. He has proposed nine times but has been rejected, to his regret.

Olga (Elsie Stupplebeen) the Sewdish house keeper, has a lot of comical trouble with Edward, since he is also short on caterer ability.

Captain Dover (Leo Hartman), Edward's father, spends much of his time with his old friend Cyrus Templeton (Lamoin Knowlton), Frances Marie's father.

The climax comes when David learns that Frances Marie's engagement to Edward Dover is soon to be announced. The true identity of both is revealed and Frances Marie and her friends are shocked at the discovery.

After much explaining the young men clear themselves and win the girls with father's blessings.

The musical numbers were under the direction of Miss Ester Kreuscher; Mrs. Anita Butterfield had charge of the dramatics.

"BASHFUL BOBBY"

Miss Odessa Henworthy (M. Twist), chaperones a group of students to the homes of Helen Norwood's (F. Wilkinson) aunt, Mrs. Matthews (L. Morrow), who with the help of her butler (L. DeLosh) and maid, (J. Weinman), is entertaining her niece and party. While here, Robert Downing's (R. Potter) friends, Jim (L. Frosh) and Harry, (B. Adams), wanting to help him overcome his inferiority complex, hypnotize him, making him think he is Lochinvar. Under this spell, Bob becomes very bold and proposes to Helen, Anne, (L. Clark), and Joan, (W. Shaw), also gives Jerry, (B. Cook), the bully, a very sound thrashing. Unable to bring Bob out of the trance, the help of Madame DuPont, (F. Backes), a professional Hypnotist, is solicited. The result is that Bob again proposes to Helen, who accepts and again gives Jerry a beating to prove that he can do it, while in his own senses, as well as when hypnotized. Directed by Mrs. Butterfield.

The Glee Club is an open organization to any boy or girl who enjoys singing. This year the groups have 19 boys and 31 girls, only 6 of whom will graduate.

The different groups have appeared at various school and local activities during the year and also presented the operetta, "Sailor Maids".

They have credibly represented the school in all previous county contests.

All musical activities have profited under the able direction of Miss Esther Kreuscher. Margaret Naylor has been the accompanist during this year.

MRS. F. A. BURNHAM

This page is lovingly dedicated to Mrs. Jane Burnham, Past President, Senior Executive and Honorary Life Member of the Arnold Woman's Club, who answered the call of her master on January 29, 1938, and who in her busy life gave so unsparingly of her time and talent in all the things that made for the betterment of the club and community.

The Arnold Woman's Improvement Club was organized and federated in 1913. It has an active membership of fifty-one, three of whom, Mrs. A. J. McCants, T. L. Jones, and W. A. Brewer, are charter members.

The objective of this organization has always been, to vigorously support all worthwhile civic and community activities. One of the first important accomplishments, was the founding and housing of the Public Library during its early years.

For a quarter of a century the Woman's Club has continuously worked for community betterment.

Today, firmly believing that the very existence of our nation depends wholly upon the on-coming generation, the Arnold Woman's Club has pledged itself to youth and its every activity.
